Professional Summary

Computer Science undergraduate specializing in Data Science and Big Data Analytics, seeking internship opportunities to apply technical and analytical skills to real-world problems.

Education

KL University <i>B.Tech in Computer Science and Engineering</i>	2023 – 2027
NEW ERA Junior College <i>Intermediate – Andhra Pradesh Board of Intermediate Education (APBIE)</i>	2021 – 2023
V.Z.P High School <i>State Board</i>	2020 – 2021

Skills

Programming Languages: Java, Python, C, JavaScript
Core Concepts: Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP)
Frameworks: React.js, Spring Boot, Node.js, REST APIs
Databases: MySQL, MongoDB
AI/ML: Machine Learning, NLP, Pandas, NumPy
Deployment Tools: GitHub, Docker, Kubernetes, Microsoft Azure
Tools: VS Code, Jupyter Notebook

Experience

AI-ML Virtual Internship – Edu Skills (AICTE) April 2025 – June 2025
AI/ML Virtual Intern

- Completed the AICTE AI-ML Virtual Internship and developed an end-to-end machine learning project involving data preprocessing, model building, deep learning, and deployment using Python, TensorFlow, and Flask.
- Gained hands-on experience in supervised and unsupervised learning, artificial neural networks (ANN), and model optimization.

Projects

Learning Hub – E-Learning Platform | *React.js* | *Spring Boot* | *MySQL*

- Built a scalable e-learning platform supporting 100+ users with a responsive user interface (UI) and improved database query performance by 30%.
- Developed REST APIs, user analytics, and a recommendation system using modular architecture.

YouTube Sentiment Analysis | *Python* | *ML* | *NLP*

- Built an NLP model using TF-IDF, Naive Bayes, and Logistic Regression, achieving 85%+ accuracy.
- Performed data preprocessing, API integration, and model optimization for efficient real-time sentiment analysis.

Certifications

- AWS Certified Cloud Practitioner
- ServiceNow Certified System Administrator
- Microsoft Azure Fundamentals (AZ-900)
- Linguaskill – English Proficiency Test

Extracurricular Activities

- Coordinator – Nationwide Techno-Management Fest Samyak 2024
- Core Team Member – International Cultural Fest Surabhi 2025, KL University
- Core Team Member – Nationwide Techno-Management Fest Samyak 2025
- Non-Technical Lead – Expedite Club, Focus Organization
